

Linesmans Pliers – Heavy Duty Cutting

- Cuts ACSR, screws, nails and most hardened wire.
- High-leverage design. Rivet is closer to the cutting edge for 46% greater cutting and gripping power than other plier designs.
- Induction hardened cutting knives for long life.
- Hot-riveted joint ensures smooth action and no handle wobble.
- Streamlined design with sure-gripping, cross-hatched knurled jaws.
- Unique handle tempering helps absorb the "snap" when cutting wire.
- Precision-hardened plier head for on-the-job toughness.
- Custom, US-made tool steel.
- Plastic-dipped handles for comfort and ease of identification.
- "Handform" handles for full gripping and cutting power.
- Features combination polished and black-oxide finish.
- NOT insulated
